

Payment Options

Make payment by EFT (For returning players only)

Returning players have the option of paying by EFT. If this option is selected then players **do not** need to attend one of the SJFC registration days. If returning players choose to make EFT payments then the following is required:

- Each player must make an individual transfer. No family, group or team payments allowed.
- Each player must be mindful of the Active Kids Rebate initiative as described in Step 1 above
 - Simply pay the difference if utilising the “deferred payment” option by utilising the Active Kids voucher
 - Pay the full amount if NOT using the Active Kids voucher
- EFT payment to be made to:

Shellharbour Junior Football Club
BSB 637-000
Account 716632962
Reference Player’s first initial and surname
- EFT payments must be made **on or before 24th January 2018**
 - Note: if you don’t pay your registration fee by EFT before the due dates above, you will not receive team placement priority.
- Any team placement preferences for Miniros must be emailed to coach@sjfc.com.au (i.e. if you would like to play under a certain coach or with certain friends, etc)

Step 3 – Make payment at one of the SJFC Registration Days

Players must attend one of the SJFC registration days if:

- they did not play for SJFC in 2017; or if

- they did play for SJFC in 2017 but did not make EFT payment on or before 24th January 2018

Registration days will be held at Myimbarr Community Park on:

- Saturday 27th January 2018, 10am – 2pm
- Wednesday 31st January 2018, 6pm – 8pm
- Saturday 3rd February 2018, 10am – 2pm

Prior to attending one of these SJFC registration days, players will still be required to log onto www.myfootballclub.com.au and complete their FFA registration as per the process in Step 1 above. Players will be emailed a **TAX INVOICE** from FFA, and **you will need to bring a printed copy of this tax invoice to one of the SJFC registration days. Any preferences to play under a certain coach or play with certain friends, etc should be written on the tax invoice.**

For those that do not have internet access, SJFC will have a laptop available on the registration days for players to complete their FFA registration online prior to registering with SJFC at the ground. However, players are strongly encouraged to complete their FFA registration online prior to the registration day so that registration timeframes are minimised on the day.

Payment can be made at the ground on registration day by:

- EFTPOS (A fee of \$2 will apply to each transaction); or
- Cash

New registrations will be required to show birth certificates at the registration day. If players registering at SJFC for the first time do not show their birth certificate at the registration day, then that player's registration cannot be accepted.
